DID YOU KNOW?

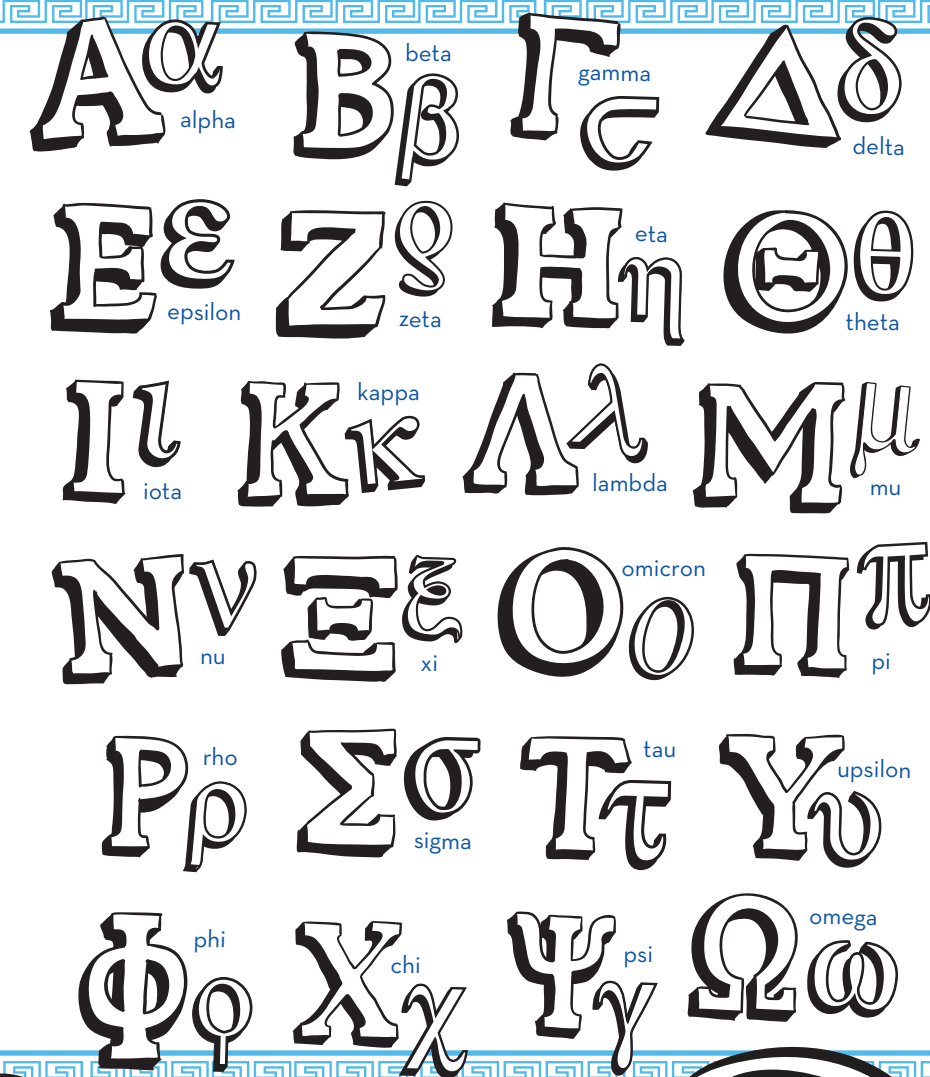

Ancient Greeks played an important part in the development of the alphabet. The first two letters of the Greek alphabet - alpha and beta - have given us the word "alphabet".

WHATCHA COLUMN?

Match the column to the description.

ANSWERS: 1-C, 2-A, 3-B

DID YOU KNOW?

The word "theater" comes from the Greek word "theatron", which means "seeing place." Actors wore masks to play different characters. Masks for tragedies had large frowns and masks with big grins were used for comedies.

DID YOU KNOW?

Most of what we know today about ancient Greek life comes from the pictures they painted on fancy pottery, which, even if it gets broken, can be put back together.
